Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Richmond Airport Passenger Terminal Apron Reconstruction project in fiscal year 2025.

The entity to receive funding for this project is the Capital Region Airport Commission Authority located at 1 Richard E. Byrd Drive, Richmond, VA 23250. The funding would be used to replace the deteriorating pavement used by airlines to approach the Passenger Terminal and to deplane and board passengers. The project would be a valuable use of taxpayer funds because new pavement will have a 30-year life, ensure safety for the aircraft and passengers, and reduce the airport's high maintenance costs.

The project has a Federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jennifer L. McClellan
Member of Congress
