The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Brunswick County Industrial Site Development project in fiscal year 2024.

The entity to receive funding for this project is Brunswick County located at 228 N. Main Street, Lawrenceville, Virginia 23868. The funding would be used to provide road and utility improvements to the Stonewall Industrial Site. The project would be a valuable use of taxpayer funds because it aligns with Brunswick's 2035 Comprehensive Plan economic development strategies to "recruit new industry and expand the existing industry." It is vital to have a shovel-ready site as a part of the County's economic development engine to attract corporations to Brunswick County to provide much-needed jobs and economic opportunities.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jennifer L. McClellan  
Member of Congress
