Chair

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Colonial Heights Waterline Replacement Project in fiscal year 2024.

The entity to receive funding for this project is the City of Colonial Heights located at 201 James Avenue, Colonial Heights, VA 23834. The funding would be used to improve water quality, capacity, and pressure for thousands of residents within the city. The project is an appropriate use of taxpayer funds because it will also help prevent future water breaks that could potentially contaminate the water supply.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jennifer L. McClellan
Member of Congress
