The Honorable Kay Granger  
Chair  
Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Aircraft Apron. RIC, Richmond, VA project in fiscal year 2024.

The entity to receive funding for this project is the Capital Region Airport Commission Authority located at 1 Richard E. Byrd Drive, Richmond, VA 23250. The funding would be used for the construction of a new aircraft apron, East Side Apron 5. The project would be a valuable use of taxpayer funds because it will enable the Richmond Airport to relocate two areas of current general aviation operations in the northwest and southwest corners of the airfield to one consolidated, state-of-the-art area on the East Side of the airfield.

The project has a Federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jennifer L. McClellan  
Member of Congress
