\_\_\_\_\_  
**A BILL**

To amend title 10, United States Code, to prohibit  
discrimination in the Armed Forces.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

3       **SECTION 1. FINDINGS.**

4       Congress finds the following:

5               (1) Women, Black, Native American, and  
6       LGBTQIA+ Americans have served in the Armed  
7       Forces since the Revolutionary War.

8               (2) In 1948, 16 years before the enactment of  
9       the Civil Rights Act (Public Law 88–352; 78 Stat.

1       241), which desegregated civilian spaces, President  
2       Truman issued Executive Order 9981, which allowed  
3       Black members of the Armed Forces to serve side-  
4       by-side with white members.

5           (3) In 1948, President Truman signed the  
6       Women's Armed Services Integration Act (Public  
7       Law 80-625; 62 Stat. 356) into law, officially allow-  
8       ing women to serve as full, permanent members of  
9       each Armed Force.

10          (4) In 1967, President Johnson signed into law  
11       Public Law 90-130, which authorized the promotion  
12       of women to the ranks of general and flag officers.

13          (5) In 1972, women were allowed to command  
14       units that included men.

15          (6) In 1982, the Department of Defense In-  
16       struction 1332.14, "Enlisted Administrative Separa-  
17       tions", banned homosexual individuals from serving  
18       in the Armed Forces.

19          (7) In 1993, President Clinton signed into law  
20       the National Defense Authorization Act for Fiscal  
21       Year 1994 (Public Law 103-16), which enacted sec-  
22       tion 654 of title 10, United States Code, "Policy  
23       concerning homosexuality in the armed forces", com-  
24       monly known as "Don't Ask, Don't Tell".

1           (8) In 2011, President Obama signed into law  
2           the “Don’t Ask, Don’t Tell Repeal Act of 2010”, al-  
3           lowing homosexual members to openly serve in the  
4           Armed Forces.

5           (9) In 2015, the last remaining policy restric-  
6           tions on women serving in direct combat roles were  
7           removed.

8           (10) In 2021, President Biden issued Executive  
9           Order 13988, which rescinded the policy that prohib-  
10          ited transgender individuals from serving in the  
11          Armed Forces.

12          (11) It should be the policy of the United  
13          States that every member of the Armed Forces has  
14          the right to serve, advance, and be evaluated based  
15          on only individual merit, fitness, capability, and per-  
16          formance, in an environment free of discrimination  
17          on the basis of race, color, national origin, religion,  
18          sex, gender identity, or sexual orientation.
